God Jul

We've all waited for a year for this holiday to arrive. There will be renewed celebration together with friends & family with all the traditions and treats.

A Christmas greeting comes in many forms. Sometimes it is "God Jul" or "Hyvää Joulua" or "Merry Christmas".

Sometimes it is a present of a baked treat from a recipe that has been shared for generations. Sometimes it is a present chosen because it is just right for someone special on your gift list.

HOME FOR CHRISTMAS
By Jan Brett
Set in Sweden, this is the story of a wild little troll who runs away from home because he doesn't want to do his chores. Rollo tries living with various woodland animals, but he finds out that there is no place like home, and he returns just in time for "the best Christmas ever." A warm, fun-loving Christmas picture book for families to share. Ages 5-9.

NORWEGIAN BAKING THROUGH THE SEASONS

By Nevada Berg

Organized according to Norway's five seasons, the book features ninety sweet and savory recipes and includes traditional baked goods for Norwegian holidays and other celebrations and special occasions. Stunning photography captures the delicate details of Nevada's mountain farm home, showing how the seasons shape what's going into the oven and onto the plate each time of the year: Rustic Spelt Crackers, Candied Almond Cake, Wild Blueberry and Oregano Bread, Troll Cream Oatmeal Cookies, or Lefse with Cinnamon Buttercream. Each recipe is introduced by a brief mood-setting text, incorporates the best ingredients each season has to offer, and is also entirely adaptable to anyone's pantry. **3127.** \$35.00 Hardcover, 256 Pgs.

By Meik Wiking

Now more than ever before, our homes need to be a place of comfort, a place to feel safe when we shut the door. Our homes are where we can truly be ourselves, unwind, and create special memories with our family and friends. Inspired by Danish design and traditions, this beautiful new book from Meik Wiking shows us how to turn our home into a cozy sanctuary and live a bit like the happiest people in the world—the Danes. Hygge (pronounced hoo-ga) is the art of surrounding yourself in comfort and is at the core of Danish culture in creating a happy space. With simple tips based on new research from The Happiness Institute in Copenhagen, this book reveals what makes a happy home: including the difference between space and size, the importance of lighting, and how to foster better connections with our loved ones. No matter how much space you have or what your budget is, Meik explains how you can use color, light, and space to create your happy place and celebrate coziness the Danish way.

TALES OF THE MUSHROOM FOLK

By Signe Aspelin

The mushroom folk are waking up from their winter sleep and emerging into the sunshine. Each family has its own characteristics and we get to know them well in these charming little tales. Meet the golden Coral Mushrooms, the bumpy Brain Mushrooms, the pale Parasol Mushrooms, the fat Puffballs, the stinky Stinkhorns and the regal Button Mushrooms. Illustrated in a classic style reminiscent of Elsa Beskow and Sibylle von Olfers, this is a lovely picture book filled with natural detail of the woods and meadows where the mushroom folk live.

D IS FOR DALA HORSE - A NORDIC ALPHABET

By Kathy-jo Wargin

Explore Greenland where, contrary to its name, more than 80 percent of the land is covered by an ice cap. It is home to the polar bear, as well as walrus, reindeer, and seal. Stop off in Copenhagen, the capital city of Denmark--the statue of the Little Mermaid from Hans Christian Andersen's fairy tale can be found near the harbor. Visit Sweden's lively Jokkmokk Winter Market which draws visitors from around the world, or sample the tasty fare of a Swedish smorgasbord. D is for Dala Horse: A Nordic Countries Alphabet gives young readers an A-Z tour. 3245. \$17.95 Hardcover

SWEDEN

By Sabine von Kienlin

This is a flex-cover paperback edition of the spectacular hardcover coffee-table book showing the fascinating diversity and beauty of Sweden. Sweden, a symbol of Scandinavian idyll, inspires with its falun-red wooden houses surrounded by dense forests, with its quiet bays, long sandy beaches, lighthouses and windmills, colorful boathouses, the glittering sea between archipelagos, the infinite number of lakes, the lonely and wide snow landscapes, dog sleds, reindeer and moose.

LOOKING FOR THE HIDDEN FOLK: HOW ICELAND'S ELVES CAN SAVE THE EARTH

By Nancy Marie Brown

Illuminated by her own encounters with Iceland's Otherworld—in ancient lava fields, on a holy mountain, beside a glacier or an erupting volcano, crossing the cold desert at the island's heart on horseback—Looking for the Hidden Folk offers an intimate conversation about how we look at and find value in nature. It reveals how the words we use and the stories we tell shape the world we see. It argues that our beliefs about the Earth will preserve—or destroy it.
