God Jul

Christmas is the favorite holiday in Scandinavia.

It is a time for family and friends to celebrate with the traditions and treats that have passed from one generation to the next.

A Christmas greeting comes in many forms. Sometimes it is "God Jul" or "Hyvää Joulua" or "Merry Christmas". Sometimes it is a present of a baked treat from a recipe that has been shared for many years. Sometimes it is a present chosen because it is just right for someone special on your gift list.
